

Women's Ministry Mission Statement

Adapted April 2020

The Women's Ministry Team (WMT) of Hayden Bible Church, in obedience to the directives of scripture and by the grace and power of God that is at work within us, commit to focus this ministry on activities that exalt Jesus Christ as Lord and Savior. We desire to serve women of all ages and stages of life, that they might experience a personal loving relationship with God the Father; mature and grow in faith to Jesus the Son, and by the power of the Holy Spirit, use their uniquely God-given gifts and talents for the influence and edification within our church family and to the world community at large. Our prayer to promote Christ-centered living, biblically accurate teaching, loving opportunities for faith-based service, fellowship, nurture and gospel outreach is for the glory of God alone!
