Bible Study – a weekly meeting for instruction and grounding in God's Holy Word, with rich discussion and relationship building with your Sisters in Christ!

Book Club – a monthly time for fellowship with ladies who share a common interest in reading. A wide variety of genres are chosen to stimulate and challenge keeping a biblical perspective in today's world.

Craft + Connect - a Christ-centered ministry meant to facilitate the growth, exploration and expression of our God given creativity through the various mediums of arts and crafts.

EQUIP Workshops – a biblically focused series of one or two 1 ½ hr. teaching sessions, designed to instruct and equip our women for ministry and service within the church and to the community at large.

Fall Day Conference – a full-day conference seeking to connect women to the heart of God through a variety of resources that challenge, teach and testify to the life-changing power and grace of God in our lives.

HEART to HEART – this ministry reaches out with the love of Christ to those in our HBC family who are in need of connection and/or help. A simple phone call, card, visit or serving on the **MEALS MINISTRY TEAM** would be a huge encouragement to others.

HUGS (Hope Under God's Strength) – offers warmth, hope and love through the gift of a homemade quilt to those who are facing serious life challenges or celebrating the arrival of a new family member.

Life with Littles – is designed to encourage moms with young children towards a growing relationship with Christ using biblical life principles, godly example, and fellowship during this unique and challenging stage of motherhood. Mentors and childcare providers are needed.

L.I.F.T. (Ladies in Fellowship Together) – is an opportunity for HBC Sisters in Christ to affirm one another in the Lord. Give expression to your gift whether it's cooking, decorating, music or sharing your story. Let's put our hands and hearts together to LIFT one another up!

Welcome Home – this ministry celebrates the gift of life as our families grow. When new children arrive, whether through adoption or birth, this ministry welcomes them with a meal and a gift card.

WICK (Women Imitating Christ the King) -- small group ministry that enjoys fellowship while performing acts of service to individuals within the church or community at large.

Women's Spring Retreat – a weekend away with your church sisters to rest and reflect on all that we have in Christ as we share His word and fellowship together. We pray, worship, chat and play together to build each other up and renew our focus on our good Father.
